

POWER DAYS Tuesday August 3rd & Wednesday August 4th

**Clinical
Glutathione**

Featuring a unique, patented Slow Melt tablet, **Clinical Glutathione** was shown in a published, human study to achieve an unparalleled 230% improvement in healthy glutathione ratios compared to unprotected glutathione.*

Increases blood/plasma levels of glutathione (GSH), an antioxidant that help(s) fight/protect (cell) against/reduce (the oxidative effect of/the oxidative damage caused by/cell damage caused by) free radicals.

60 sublingual Tablets

**Iron
VITAL F**

- IronVital F liquid helps fulfill your daily requirement for IRON
- It has a pleasant fruit taste & is ideal during pregnancy, breastfeeding, menstruation, growth stages and while exercising intensely.
- The combination of vitamin C in IronVital F helps the iron to be absorbed readily, while the B vitamins enhance the effects of the iron.

Because Vital F Iron is so easily used by the body, it's won't cause you constipation like iron in tablets can.

500ml
